ECS 289G: Meeting transcription

Speaker 00: Hey Shreyas, how's your day going?

Speaker 01: Hi Rohit, my day is going good, how about yours?

Speaker 00: Oh, that's great. Yeah, even mine's going great. I just got done with my artificial intelligence presentation a while ago, and now I'm working on my project for it. How about you?

Speaker 01: I am just working on an assignment for my linear algebra course which is due by midnight

Speaker 00: Oh, great. So, let's see how this audio transcript works in our Hugging Face model.
